

PRODUCT IDENTIFICATION

Description
SP-1P-0-005 is a polyethylene oxide with two carboxylic end groups.

Reference	Designation	CAS Number
SP-1P-0-005	PEO BIS CARBOXYLIC ACID	37684-51-8

Functionality (RMN¹H measurement): [0,287 meq of carboxylic acid / g of product](#)

THEORITICAL PHYSICAL / CHEMICAL PROPERTIES

Physical Aspect	White Powder
Molecular Weight Mn (g/mol)	8 630
Molecular Weight Mw (g/mol)	9 000
Polydispersity Index Ip	1,04

Solubility in	Chlorinated solvents, THF, Water
----------------------	----------------------------------

NMR SPECTRA
