

PRODUCT IDENTIFICATION

Description
SP-4P-0-002 is a statistical methacrylic copolymer with crosslinkable carbonate functions.

Reference	Designation	CAS Number
SP-4P-0-002	MMA-co-Glycerol carbonate MA	87880-72-6

PHYSICAL / CHEMICAL PROPERTIES

Physical Aspect	Translucid elastomer
Molecular Weight (g/mol)	Mn on request
Composition	x, y, n on request
Solubility in	Ketones, THF

NMR SPECTRA
